INSTRUCTIONS

1. Paint the outside of the tumbler with 1 generous coat of Squash Blossom using a fan brush.
2. Paint the lid with 1 generous coat of Blue Grass.
3. Use a damp sponge to gently wipe the tumbler. This will leave the orange paint in the crevices and the raised parts should be lighter.
4. Use the sponge again to gently wipe the lid. This will leave the teal paint in the crevices and the raised parts should be lighter.
5. Paint the outside of the tumbler with 1 generous coat of Mango Madness.
6. Use the fan brush to paint the lid with 1 generous coat of Sea Mist.
7. When the base is dry, use the 3/4" sponge dotter to make the eyes. Dip the dotter into Licorice and tap off the excess on a paper towel. Then press on the tumbler where you want the eyes to go. Repeat for a second coat.
8. Paint the outline of the mouth using the detail brush and Licorice paint. Paint a rainbow shaped arc inside the mouth for the tongue then fill in the rest of the mouth with the Licorice.
9. Use the detail brush to paint 3 coats of Pretty in Pink on the tongue.
10. Dip the 1/2" sponge dotter into Pretty In Pink and then tap the excess off on a paper towel. Press a dot on either side of the mouth to create cheeks. Repeat for a second coat.
11. Dip the handle of a brush into Snowflake and use that to dot on the white in the eyes.

TIPS

- The darker colors that are underneath will show up after firing.
- Wipe against the lines on the piece to help the paint stay in the crevices.
